In the past, this was

However, that Light has been lost now

Let us - please -
take the time to
remember

The fall of our kind rapidly

I'm... evil.

The Rhyenas is moving.

It should be deadly for her
Dragon over there, so why
isn't she running away?

She did it in the
Labyrinth, too.

Even for a human
or Rhyenas, her
movements are
too unpredictable.

No, the reason why her actions are hard to predict is because she's not "human".

The humans I know normally...

How strange!
That's not a human
at all!

Strangest!

The more people
we know, the more
strange they
become.

Sir Charge, we've gathered all the citizens to the center...

Good. Expensive items will have a high income, so keep them well.

How about the boxes? Are they being transported as planned?

Yes, Sir!

If you have items, return to me.

If you have items, think for yourself!

Today's discussion...

That's bobbing on without being introduced.

He hasn't

Seeing

Mr. Chang, Prince
Leviath is trying to contact
us for negotiations.

What?! The

That person never
